It is time for Crimson Panther Baseball! I am so excited to watch these young men play ball. I want to personally thank Coach M. Wright, Coach Mason, Coach Scott, Coach R. Wright, Coach Terry, Coach Wilburn, Coach Slay, Coach Guyette, and Student Coach Jax Cothren. for their hard work preparing for the season. The players and coaches have a tradition of a tremendous work ethic which gives HHS and the HHS community such a sense of pride.

Our coaches dedicate an incredible amount of time during the season to ensuring players are prepared to compete successfully on the field and in the classroom. Our players dedicate an incredible amount of time practicing and preparing to take the field with a winning attitude all while learning through each win or loss.

I want to give a BIG shout out to all the parents and the booster club for all the support of the baseball team. This program would not be what it is today without your contributions of time, support, and effort.

As a hard-core Crimson Panther fan, I cannot wait to support this baseball season. See you at the games! Play Ball!!!

Go Big Red!

# A LETTER FROM THE COACH

HHS Baseball Family,

It is truly an honor and a privilege to serve as the Head Baseball Coach at Huntsville High School. As I begin my first season leading this remarkable program, I do so with a deep sense of humility and gratitude. Huntsville High baseball has a long-standing tradition of excellence, built on hard work, pride, and the development of high-quality young men both on and off the field. To be entrusted with the responsibility of leading this program is something I do not take lightly.

I would like to extend a sincere thank you to our assistant coaches for the countless hours, energy, and commitment they pour into this program. Their dedication and sacrifice do not go unnoticed. I am also deeply grateful to their wives for the time, support, and understanding they give so selflessly throughout the season. Finally, I want to thank my beautiful wife, Lacy, for her unwavering love, patience, and support. Her sacrifice and encouragement make it possible for me to serve this program and these young men at the highest level.

I would like to sincerely thank Coach Luke Lamm for his energy, leadership, and dedication to Huntsville High School baseball. His efforts and guidance have left this program in a strong position, and I am grateful for the foundation he has laid. I am also thankful to Mrs. Flippo, our Head Principal, and Coach Donahoo, our Athletic Director, for their confidence in me and for the opportunity to lead such a respected program.

Additionally, I would like to thank our school administration and faculty, program sponsors, parents, and students for their unwavering support. Huntsville is a special community, and the support shown for our student-athletes does not go unnoticed.

The 2026 season will present exciting challenges and competitive opportunities each week as we face quality opponents from Alabama, Tennessee, Florida, and Georgia. Our players and coaching staff are eager to compete, GATA, and represent Huntsville High School with pride. We look forward to competing in 7A Area 7 alongside Albertville, Grissom, and Sparkman, and to continuing the pursuit of excellence that defines Crimson Panther baseball.

If you have the opportunity, we invite you to bring your family out to the ballpark and support our teams this season. Thank you for your continued support of the Huntsville High School Baseball Program.
