Items for Discussion:

MTS Grant

- a. Summer Grant Presentation and Q&A - went over the list Kelly sent. Amy suggests we name Shenanegan's in our information
- b. Volunteers - We have people stepping up to volunteer!
- c. Fundraising Ideas - Next year there will be a trip and we need a fundraiser for this in the Fall. Amy suggested we look into a "Music-a-thon" where the kids can get pledges for how long they play, or just donations.
- d. Senior committee updates - Pictures have been taken! Boards will be done on Monday.
 - a. Banners will be hung after Spring Break - Wendy Winkler needs the photos, Janette will email them to her.
 - b. Senior Program pictures need to get on the drive

Future Items:

- a. Feeder school summit - Kara Kesselring is leading this and can start working on it after the musical.
- b. Putting together a parent summit for kids interested in fine arts/performing arts in college. (We want to be the “meat” in the sandwich of information.)
