

b. Mr. Busch

i. Huge thank you for all the support during the “condensed” band camp due to the weather and smoke that took precedence over what we needed to do. Kids did well learning the show and were able to give a Premiere show.

ii. Thank you for helping during the Seymour Parade

iii. September 1st will be the Suring Parade

iv. Football games are coming. Our 1st show will be the last Friday in August.

v. Shout out to our new president Will, who has been doing a great job organizing and keeping our band program on track.

c. Mr. Guerrero

i. RRJE is back at rehearsing. Thursday was our 1st practice since June. We are preparing for our performance at Kelly Lake on Saturday August 23rd. We will be playing at 12-2 PM. School practice start up will be decided by the group.

ii. The first deposit for the Philly trip was due August 1st. We did extend that deadline. We have 130 students signed up so far, with the smallest class group being the incoming freshman.

iv. Amy Herison will be leading the Friends and Family tour for Philly.

v. People have reached out to me via email about being chaperones for the trip.

vi. The school is updating their volunteer tracker requirements for the district. Spoke with Dana Thibodeux to make sure we are good for chaperones for our upcoming parades and into the future. I believe everyone will have to redo a check once the system is switched over.
