Each year, the Bel Air HS Music Department participates in an out-of-state trip and competition.

To defray the cost of the trip for students, we raise funds by selling advertisements in a program book handed out at Music Department events. In 2025-26, the ad book will be distributed (hard copy &/or digital) at 10+ concerts and events open to the public and school community, reaching 400+ patrons per performance.
