Band Uniform Cleaning Instructions

1. Uniforms should have a name tag in the jacket and the pants
2. Unbutton Jacket
3. Remove Cord - DO NOT WASH
4. Remove Cape
5. Wash cape separate from pants and jackets in COLD water using a detergent that DOES NOT contain BLEACH
6. Dry cape separate from pants and jacket on lowest or delicate cycle in dryer
7. Once dry, fold pants in half to crease them; place on hanger
8. Reassemble the jacket with the cape on the RIGHT shoulder and the cord on the LEFT shoulder - the two small ropes go under the arm and the big cord goes on top of the sleeve.
*****NOTE:** Please pay special attention to capes as you remove them from the jackets as section leaders/officers have a blue stripe on their cape.***
9. Place jacket on hanger, place back in designated closet in band room by Wednesday of the next week to ensure all uniforms are accounted for.
