CANON-MCMILLAN BASEBALL BOOSTER CLUB 501(c)(3)

www.bigmacsbaseball.com

On behalf of the Canon-McMillan Baseball Booster Club and the CM Baseball Team, we invite you to become part of the Big Mac Family as a sponsor. Sponsoring the team helps our young athletes enjoy a positive, rewarding experience, learning teamwork and life lessons through baseball. These experiences equip them to succeed both in the classroom and on the field, and prepare them for future achievements.

We thought of your business as a potential partner because of the positive impact you make in our community.

We want our community businesses to be proudly represented throughout our season in these ways:

- Logo on our team website acknowledging your sponsorship
- Announcement of business advertisements during innings breaks at games
- Social media posts highlighting your support for our team
- Social media posts using any advertising materials you provide

We are a non-profit organization and donations will be tax-deductible. Our EIN is 92-0462887.

Our goal is to secure a $500 sponsorship from each sponsor; however, we welcome and sincerely appreciate donations of any amount. Whether you choose to make a financial contribution, donate goods, spread the word about our baseball program, or bring your family and friends to cheer us on at our games, every bit of support makes a difference!

We understand how important community support is to the success of our team. As representatives of the Canon-McMillan community, we strive to make our community proud, demonstrate good sportsmanship, and give back whenever we can.

Your generous sponsorship will help offset the costs of essential team expenses, including new equipment, player apparel, meals during away games, team bonding/end of season banquet, game photos/streaming and much more.

With the support of our amazing sponsors, families, and community, we know we can make this the best season yet for CM Baseball!

Thank you for supporting our players and being part of our team!

Sponsorships can be made directly on our website or via QR code:
