

North Paulding Wolfpack Pride Marching Band

2025 - 2026 Season

Welcome to a new season of marching band! This document provides you with information on dues and how to register to be part of the Wolfpack Pride! Returning members: PLEASE read through this before registering, as there have been some changes from last year.

Membership Dues

The Membership Dues for the upcoming season are as follows:

Marching Band Woodwind & Brass	\$745 / \$720 with Pay in Full discount
Marching Band Percussion	\$845 / \$820 with Pay in Full discount
Marching Band Color Guard	\$845 / \$820 with Pay in Full discount

To secure your drill spot, you must register and pay (at minimum) the \$150 commitment fee by Sunday, May 18.

We offer two discounts for Membership Dues:

Pay In Full Discount - If you are going to pay in full by July 1, you receive a \$25 discount. To receive this discount, when registering, select the membership labeled “*Ensemble* Pay In Full Discount”, where *Ensemble* is either Woodwind & Brass, Percussion, or Color Guard.

Sibling Discount - Families will receive a 50% discount for each child beyond the first. Discount is taken off the lesser fee. If you will be registering siblings, please register the first child (highest dues) and then contact the Band Booster Treasurer via email. He will then send you a link to a sibling registration form for the second child. Email David Futch: npbbtreasurer1@gmail.com

Payment Plan - We also offer a convenient payment plan that can be set up through the registration process. It breaks the dues up into 4 payments, after the initial commitment fee. These payments are made automatically on the dates shown, and a reminder email is sent prior to the date.

Booster Credits - If you have Booster Credits on your account, you may apply them to the deposit and/or dues on the registration form or on any balance due at any point. (Booster Credits are earned through fundraisers and sponsorships.)

We want to ensure that all your amazing children have an opportunity to participate in our Wolfpack Pride Marching Band. If you have any financial considerations that you need to discuss please reach out to our Booster Club Treasurer at npbbtreasurer1@gmail.com or to Mr Mack at tmack@paulding.k12.ga.us.

How To Register in BoosterHub

Important Information to read **BEFORE** starting the registration process:

- Registration is easiest when the student and parent do it together.
- The forms have a lot of information on them so it may be easier to complete from a computer.
- Students and parents cannot use the same email on the registration form. Each person must have their own email as it is your unique account identifier within BoosterHub.
- *The email you register with is the email that all band emails will go to, so be sure it is one you use and check regularly.*
- Please do not use the student's PCSD school email as it block emails from outside the school system. If your student does not have their own email address, you can create one for them for free at gmail, yahoo, etc. or use a secondary family email address that you monitor.
- Show shirts and shorts are ordered based on the size you enter on your registration form. Please be sure it is correct! Parents, ask your students their preferred size (trust us on this)!

Ready to register? Follow these easy steps.

1. Visit the band's website at <https://northpauldingband.com> and click on the "2025-2026 Marching Band Registration" tab.
2. Complete the form in full by entering in your student information, then parent/guardian information.
3. Select the appropriate membership.
4. Scroll to the bottom of the membership listings and you will see a Payment Option select box. Select your payment choice.
5. Select any add on items you wish to pay for at this time and click "Add to Package". Be sure you have filled out any of the required fields on the item (scroll down in the description text box).
6. Scroll down and verify that all items you wish to purchase today are listed under "My Items".
7. Complete the Payment Details section.
 - a. Be sure you use the same parent email address you used above in the registration form.
 - b. Note: the fees for ACH are less than the fees for CC.
 - c. If you have selected a payment plan, you must also check that acknowledgement box.
8. If you have Booster Credits that you want to apply to your total, click the "Apply Booster Credits" box and enter how many credits you want to apply.
9. Check the "human verification" box and click "Complete Registration".

What happens next?

- Once the parent/guardian has completed registration, the treasurer will approve your membership and each person listed on the registration form will receive an email with a link to join the Band's BoosterHub. (Please be sure to check spam, as sometimes it will go there.)
- Follow the link to set up your username and password.
- Once that is done, download the BoosterHub app and login to see the Band's information. You can find the band calendar, volunteer opportunities, the online store, your account transactions, announcements, a link to our website (the globe icon) and more!
