

Brandon Valley Bands Partnership Opportunities

Partnerships

Over the past 6 years, Brandon Valley High School Band participation has increased by 60%, adding winter percussion, winter guard, and a host of other wonderful experiences for our musicians. Our growing band also meant a 60% increase in hotel stays and doubling our senior scholarships.

Not only that, this year the marching band will be traveling to both the Minnesota State Marching Championships in Minneapolis and the Bands of America National Competition in Des Moines. This means an extra hotel night for approximately an additional \$20,000 just for hotels, not including transportation and meal costs.

Together, we can partner to keep our band fee-free and provide these hardworking, excellent musicians with the experience of a lifetime.

Legacy Levels

These generous donations give you an opportunity to leave a lasting legacy through Brandon Valley Bands.

Silver Circle | \$11,000-51,000

Join Brandon Valley Bands' Silver Circle by contributing to the band's legacy of outstanding brass. Silver trumpets can help make the section's sound more consistent and boost our visual effect. Together, we can create a Silver Circle of sensational trumpets.

The Yamaha Zeno YTR-8335IIS is approximately \$2,550 per trumpet. We need 20 in order to provide all players with an equal opportunity to play this beautiful instrument while representing the Marching Lynx on the field of competition and at the many community service events at which they play.

Legacy donations of \$20,000 or above offer naming rights: name mentioned with sponsored legacy "xxx Silver Circle" for three years, as well as your logo on the **side of the band trailer**.

Any Legacy donation at \$10,000 or above offers the following gratitude recognition:

- Speaking part at Big Sioux Review
- Mention at one home football game before marching band halftime show
- Logo on one side of trailer (single sponsor per side)
- THREE single-sponsor social media posts during 2024 season with information about company
