## Thank you, Westerville Community!

Our program wouldn't be possible without the generosity of so many amazing people!

Thank you to our families for ensuring your students are at every practice, game and competition. We know it is a big sacrifice for your families, and we appreciate the work that you put in.

Thank you to our amazing parent volunteers for keeping our students fed, helping them with uniforms, moving equipment with pit crew, chaperoning games and contests, offering first aid during band camp, helping plan and execute every bingo event, selling boba at home games, and so much more. If you want to be a part of this amazing team, we have many opportunities coming up and we would love to have you!

Thank you to our community for showing up and supporting this program. Your attendance tonight is so meaningful. Thank you all of you who supported us during tag day and attend our Bingo events! These are our major fundraisers of the year that fund our program and none of this would be possible without your support.

And to our amazing business sponsors who have supported our band this season!
